Havering Safeguarding Adults Board
Community Engagement Group

Role & Purpose:

- To raise awareness of safeguarding within our local community.
- To educate our local community on the topic of safeguarding.

Core Tasks:

- To consult with our service users on what we need to promote
- To develop generic promotional material where necessary
- To set up a reading group for our literature to be sense checked
- To attend events that will help raise awareness of safeguarding
- To share good practice with our community partners
- To identify training needs within our group and community partners
