## **PLANNING APPLICATION CHECKLIST**

### **Application for listed building consent for alterations, extension or demolition of a listed building**

This Checklist sets out the information you need to submit with your application for it to be accepted as valid and processed as quickly as possible. It lists the statutory National Planning Application Requirements which must accompany all applications and may also include additional Local Planning Application information which the Council requires for this type of application.

Local Planning Application information may only need to be submitted in particular circumstances so please ensure you read the checklist carefully and supply all the information required for your type of proposal. If you do not supply all the information the Council needs your application is likely to be declared invalid on receipt and will not be accepted. This will delay your application because we will not be able to deal with it until the missing information is provided.

Tick boxes have been provided at the side of each requirement to enable you to confirm the information you are providing with your application.

### **Notes regarding plans and drawings**

Please note that drawings, plans and some other documents submitted with applications will be published on the council's website. All plans and drawings should include a scale bar indicating a minimum of 0-10 metres and show the paper size and key dimensions.

For online applications submitted via the Planning Portal drawings should be A3 or smaller and attached as .pdf (Adobe Acrobat) Files.. They should include: the print (paper) size; the relevant scale at that print size (e.g. 1:50 or 1:100); a scale bar showing the length of 1 and 10 metres and/or key dimensions.

The maximum size of all files that can be uploaded on the Planning Portal is 25Mb and no individual file can be larger than 5Mb. Please do not attach .cad or .exe files or use zip utilities to compress files because these are not accepted.

### **Planning Application Requirements**

Four copies (including the original) of all of the information on the checklist are required unless the application is submitted electronically through the Planning Portal ([www.planningportal.gov.uk](http://www.planningportal.gov.uk))
