Mobile Home Estate Rules

... All the comforts of modern day living in a beautiful home sited in natural parkland and the company of helpful friendly neighbours make this the perfect natural environment in which to live.

The following rules of occupation are for the good management of Park (Mobile Home) Estates and the benefit of all who use them.

THE PARK

1. All residents will comply with the conditions of the Site Licence.
2. Only Mobile Park Homes of proprietary manufacture which conform to the definitions contained in the Mobile Home Act 1983.
3. No vehicle or structure shall be permitted on the Site, except as agreed by the Site Management.
4. **PARK HOME PLOTS.**
Each Park Home shall occupy a plot, which shall be clearly defined by the Management, up to, and not exceeding 3 metres from the home.
5. Residents will be responsible for the proper maintenance of their plots, grass and similar vegetation shall be kept as short as possible and kept free of noxious weeds, rubbish and combustible material.

PARK HOMES

6. Park homes must be kept in sound and clean condition. Decoration and external colour must be maintained to the satisfaction of the Site Management. No external alteration of or addition to the Mobile Park Home or plot is permitted without the prior approval of the Management.
7. The occupier is responsible for the cleanliness of the Plot. He must also keep the area underneath the Mobile Park Home clear.
8. The Mobile Park Home may be used by the Occupier and members of his permanent household and bona fide guests only (and in any event for the occupation of such numbers of persons as shall not exceed the specified number of berths).
9. The Occupier is responsible that all household refuse is deposited in approved containers, which must not be over filled. ie black plastic refuse bags. These should be deposited at a position agreed by the park management at late evening or early morning before collection.
10. Occupiers are responsible for ensuring that both electrical and gas installations and appliance comply at all times with the requirements of the Institution of Electrical Engineers and/or other appropriate Authorities.
11. Each Park Home shall have its own independent Fire blanket, for Fire Safety reasons.

Musical instruments, record players, radios, other appliances and motor vehicles must not be used to cause nuisance to others at any time.

GAS SUPPLY

13. All piping, connections and other apparatus used for the supply of gas shall be for the correct type, and installed in accordance with the Code of Good Practice used by the British Standards Institution in conjunction with the Gas Council.

MOTOR VEHICLES

14. All vehicles must be driven carefully on the Park, not exceeding the speed limit of 5 m.p.h. Vehicles must keep to authorised parking spaces and not on the roads, which must NOT be obstructed. Vehicles must be taxed and insured as required by law and drivers must hold a current driving licence and insurance. Disused vehicles must be removed from the Park. The prior written approval of the Site Management must be obtained before parking commercial vehicles. Only one vehicle per plot unless otherwise approved by the Management.
15. Under no circumstances can the interior or exterior cleaning of vehicles be allowed on the Park. Maintenance and repairs to cars are strictly forbidden on the Park.
16. Any damage caused by cars will be made good at the expense of the owner of the car concerned.
17. A charge of £5.00 per week will be charged to any person with a second car. (This will be reviewed each year).
