

Mayor of London. The London Strategic Housing Land Availability Assessment 2013.

Appendix Eight: SHLAA 2013 Approvals and Allocations.

Site list A provides details of the sites that have been identified as having approval (planning permission) for housing development. The identified capacity has been taken from the London Development Database. Estimated completion refers to the phase the final units of a development are expected to be completed in. Approval sites marked as completed in the SHLAA system have been removed from the list.

Site List B provides details of allocated sites. These are sites that have been identified as having housing capacity in published or emerging Local Plans (as of July/August 2013).
