They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

The land at Woodways, Benskins Lane, Noak Hill, Romford RM4 1LB shown hatched black on the attached plan.

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without Planning Permission, an unauthorised change of use from residential land to a waste transfer station and recycling facility which also includes:

- unauthorised parking and manoeuvring of heavy goods vehicles and plant machinery,
- unauthorised storage of pallets, waste, containers, skips, heavy goods vehicles, trailers, caravans and various associated equipment including plant and other heavy machinery, and

4. REASONS FOR ISSUING THIS NOTICE

It appears to the Council that the above breach of planning control has occurred within the last ten years.

This unauthorised use of the Land is inappropriate and therefore, in principle, harmful to the character, appearance and purpose of the Metropolitan Green Belt. Significant harm to the Green Belt is also caused through physical impact arising from the waste storage, the recycling of the wooden pallets, storage of containers and the associated activity.

Material harm is being caused to visual and residential amenity by reason of the adverse effect the use is having on the character, setting and appearance of this rural site which is located within the Green Belt and also in terms of noise disturbance and pollution.

Such development is contrary to the objectives of Policies GRB2 and ENV1 of the Unitary Development Plan and their counterpart policies in the Local Development Framework and also Planning Policy Guidance 2: Green Belts.

5. WHAT YOU ARE REQUIRED TO DO

- (i) Cease using the Land as a waste transfer station and recycling facility

Time for compliance: 3 months from the effective date of this notice.

- (ii) Cease all manoeuvring and parking of heavy goods vehicles associated with the unauthorised use

Time for compliance: 3 months from the effective date of this notice

- (iii) Remove from the Land all pallets, waste, containers, skips, heavy good vehicles, trailers, caravans, plant and any other heavy machinery brought onto the Land in connection with the unauthorised use

Time for compliance: 3 months from the effective date of this notice

- (iv) Remove all rubbish and waste materials used in connection with the unauthorised use and return the Land to its original residential use

Time for compliance: 3 months from the effective date of this notice
