Subject: Re: Havering Local Plan Examination - late representation

To: Stuart Miles

Dear Mr Miles,

The Inspector is unable to accept your representation at this stage. The Regulations set out a specific timescale for submission of representations on the Plan and there is no regulatory scope for accepting representations once the formal consultation has closed. Accordingly, I regret to inform you that the representation will not be considered by the Inspector.

Kind regards,

Andrea Copsey  
Local Plans Programme Officer

Dear Andrea

I have been directed to you by Lauren Miller at Havering BC.

I have a client who would like the opportunity for her views to be considered by the Havering Local Plan Inspector in relation to a site adj Heaths Drive, Romford. Although she made representations early in the Local Plan process she did not make a representation to the submission draft Havering Local Plan.

I understand that the examination has not yet formally started, so I wondered whether a late representation would be accepted in relation to this site and, if so, when you would need it by?

Best regards

Stuart
