

Secondary school open events

For pupils starting secondary school in September 2021

Due to the current Covid-19 pandemic and strict government guidelines on social distancing, there is a possibility that secondary school open events will not take place in the usual format.

Secondary schools have been asked to plan alternative arrangements and the following schools have advised the Local Authority of what they are putting in place.

We will continue to liaise with secondary schools and will update this information as soon as decisions have been formalised.
