

Dear Parent / Carer

Given the current concern around Covid-19, some Havering Secondary Schools have taken a decision to amend / cancel the initially published open evening arrangements below.

Please visit the schools website or contact them directly for the latest open evening information. Some schools have indicated that these events may now need to be pre-booked to allow schools to control numbers and some have taken a decision to only hold a virtual open evening. In all cases where parents are allowed on schools premises, appropriate PPE and social distancing measures will be required.
