

Havering Safeguarding Adult Board & Children Partnership presents

Safeguarding Week 2021
8 -12 November 2021

[Havering Safeguarding Week 2021](#)

Havering Safeguarding Week is our opportunity to raise awareness on how we identify and respond to safeguarding concerns affecting some of Havering's most vulnerable residents. Safeguarding week is when the multi-agency professional network can think about how we work together and what are the important issues that we need to respond to as new priorities arise and our population changes.

Our programme of workshops and learning events is open to all professionals working with adults, children and families and we encourage all to attend regardless of role or level of knowledge. Safeguarding Week gives us the opportunity to learn from one another and adopt a shared understanding of best practice.

Please be aware, there is an issue effecting some staff, trying to book onto Eventbrite. Internet explorer, no longer support Eventbrite. Please copy the link and go on Google Chrome or Edge to register.

Safeguarding week will be done virtually using either Zoom or Microsoft teams.

Fires safety		15:00-16:00	
<p>The Borough Cycle Team was initially created with the aim of targeting identified secondary fire locations and risks in Havering more than 10 years ago and this is still our primary role. The team endeavours to cover all areas including parks, open spaces, retail areas/service access roads, domestic streets and alleyways. However, our remit has now evolved to also allow us to engage with the more vulnerable members of the community. We can ensure that they have swift access to all the Fire Safety equipment and advice that London Fire Brigade provides as it is deemed required.</p> <p>Facilitator: Community Cycle Team</p>
