# Introduction

Havering Council owns your property and is your landlord.

**Your landlord** is responsible for:

- Managing tenancies and estates
- Arranging repairs
- Letting homes
- Collecting rent
- Providing caretaking, CCTV and Mobile Support services
- Formulating and carrying out improvement schemes
- Administering the right to buy your home
- Rent policies
- Tenancy agreements
- Housing strategy
- Formulating the lettings policy
- Supported housing
- Homelessness

This tenancy agreement sets out your rights and responsibilities as a tenant and those of the Council, as your landlord. Your main point of contact regarding your tenancy and your home will be the Council's Homes and Housing service.

## Different format

Our communities are diverse and as such we have improved the tenancy agreement to make it easier to understand. The tenancy agreement can be made available, on request, **in large print**, Braille, audio tape or in a different language. We recognise that a number of current and future tenants may not have English as their first language. We have access to a translation service which can help to explain the document in many community languages. If you need this facility before you sign for a tenancy, please advise the Council's Homes and Housing Service.

You can contact the Homes and Housing by:

- Direct telephone: 01708 434000 or freephone 0800 1513444
- Email: [homes@havering.gov.uk](mailto:homes@havering.gov.uk)
- Textphone  01708 433399 (for deaf or hard of hearing people)
- Via the website: [www.havering.gov.uk](http://www.havering.gov.uk)
- Letter or visit in person: Homes and Housing, Chippenham Road, Harold Hill, Romford RM3 8YQ

The Homes and Housing contact centre opening hours (for telephone calls) are Monday to Friday 8 am to 6 pm.

The Homes and Housing office opening hours (for personal callers) are Monday to Friday 9 am to 5 pm.

The out of hours number for emergencies is 01708 756699

This is a tenancy agreement between Havering Council 'the landlord' and you 'the tenant(s)'. This tenancy agreement is the document you sign when you become a tenant of Havering Council.

This agreement is a legally binding contract between you and the Council and records information such as your name, the date you become a tenant and the initial rent. Before you sign the tenancy you will be asked to provide proof of identification.

This agreement outlines your rights and responsibilities as a secure fixed-term or introductory tenant of Havering Council. If you are an introductory tenant, your tenancy will automatically become a secure fixed-term tenancy after one year for a specific term, unless you break any of the conditions of the tenancy during this period, for which we may take action to end the tenancy or extend the introductory period. Most rights and responsibilities apply to both types of tenancy, but any differences are clearly marked.

The legal rights which you have will depend upon whether you are a secure fixed-term or introductory tenant. If you are a secure fixed-term tenant, you will have all of the legal rights summarised **in Section 1**. However, if you have an introductory tenancy you have fewer rights and, where any of the following rights do not apply to this type of tenancy, this will be marked "(fixed-term tenants only)".

The agreement gives you the right to live in your home. We would not interfere with this right unless any of the following applied:

1. You break any condition of this agreement. If you do we may take legal action to force you to meet the conditions or we may ask the Court for permission to evict you.
2. You are living in a property which has been built or adapted for a physically disabled person and
  - You no longer need that type of home and
  - We need the property for someone else who requires a property with those adaptations.
3. We need to demolish, rebuild or carry out major repairs to your property which we cannot do unless you move out. In these cases we will provide you with suitable alternative accommodation. This will sometimes be temporary until we can offer you a permanent home.
4. You do not occupy (or, if this is a joint tenancy, neither of you occupies) the property as your only or principal home.
5. Any other reason under the Housing Acts of 1985 and 1996, or under any future law.

We will give you reasonable notice if any of the above applies.

## **Your tenancy agreement and the Housing Acts**

Some of the terms of your tenancy agreement are created by Acts of Parliament. If one or more Act of Parliament changes, this may automatically change the terms of your tenancy. If this should happen, we will keep you informed.

## **Tenant Handbook**

This is an explanatory booklet which will be given to you at the beginning of your introductory tenancy. Another copy will be given to you if you ask us. The handbook is for clarification and information only. The handbook does not form part of this tenancy agreement. The handbook may be amended from time to time.

# **Section 1 Your rights as a tenant**

## **1. Right to live in the property**

You have the right to live in your home without interruption or interference from us as long as you, those living with you or visiting your home, comply with the terms of this tenancy and have respect for the rights of others. If any conditions are broken we may apply to the Court to end your tenancy.

## **2. Succession**

If you die your husband, wife or civil partner may be entitled to the tenancy if they are living at your home at the time of your death. This is called 'succession'.

The tenancy can pass to a partner, as long as they have been living with you at the time of your death. By law only one succession can take place. If the tenancy is a joint tenancy, only the other joint tenant still living in the property after you die has the right to succeed to the tenancy. Only one person can succeed to a tenancy.

If you are living in a property and the property has been adapted for occupation for a physically disabled person or it is the practice of the landlord to let the property to persons with special housing needs (and there is no longer such a person living in the property) then we may take steps to move you to another suitable home, either with your agreement or by following the legal procedure for doing so. This may be during your tenancy or at the end of the fixed-term tenancy term.

## **3. Right to information and consultation**

We will consult you about any decisions we make to do with managing or maintaining housing if these decisions are likely to have a major effect on your home or tenancy. This does not apply to setting rent. You also have the right to information about:

- The conditions of your tenancy
- Our responsibilities for carrying out repairs
- Offering you a home and your tenancy
- Any proposal on transferring housing stock to a new landlord.

You have the right to see certain information which we hold about you in connection with your tenancy. This means that you can check these details to make sure they are correct. If any of these details are incorrect or misleading, you are entitled to apply to have these removed, altered or to add a statement giving your own version of the facts.

You have the right to add your own comments or information to the copy of the details you have given us about yourself and your family in your application for a home or transfer.

4. **Right to be consulted**

You have the right to be consulted about any proposals for changes to the way in which we manage, maintain, improve, sell or transfer Council properties, or for changes to do with services or facilities for Council tenants. Where changes directly affect you we will tell you about these and give you the chance to tell us what you think about them. We will consider all the comments received before making a decision.

5. **Right to manage (secure fixed-term tenants only)**

You, together with other tenants in your area, have the right to manage your properties or certain services through a tenant run organisation. This is called the "Right to Manage". You can get information about the right to manage from Homes and Housing.

6. **Right to repair**

You have the right to have certain small urgent repairs which might affect your health, safety or security, done quickly and easily. We have to carry out these repairs within a certain time. If we fail to do so you may be entitled to compensation, provided you have fully co-operated with us in getting those repairs done. Further information on the right to repair is in the Tenant Handbook.

7. **Lodgers and subletting (secure fixed-term tenants only)**

You have the right to take in lodgers provided that you do not cause your home to become overcrowded. You must notify us of the name and date of birth of anyone residing in your home, and give details of the accommodation which they will occupy.

You have the right to sub-let **PART** of your home. You must get our written permission before doing so. This permission will not be unreasonably withheld.

You are responsible for the actions or behaviour (with or without your direct knowledge) of any lodger or sub-lessee that breaches your responsibilities outlined in this tenancy agreement.

8. **Right to exchange**

You have the right to mutually exchange your home with another Council tenant or a tenant of a Registered Provider (sometimes known as a Housing Association). You must get our written permission to do this. We can only refuse this in certain circumstances, such as where there is evidence of anti-social behaviour. We may attach conditions to the consent which can include

clearing any rent arrears.

Should you decide to mutually exchange your home with another tenant who has a “lifetime” secure tenancy, you will retain a fixed-term tenancy for the other property (i.e. you will not take the other tenants “lifetime” secure tenancy on and will need to surrender your current tenancy so that another fixed-term tenancy can be granted to you for the other property).

9. **Assignment (secure fixed-term tenants only)**

You can only assign your tenancy in certain limited circumstances. These are if:

- A Court has ordered you to transfer your tenancy to someone else e.g. in matrimonial proceedings
- You are exercising your right to exchange with our permission
- You want to assign your tenancy to someone who would be entitled to succeed to your tenancy on your death. This can only be done with our permission. (This would be counted as a succession).

10. **The Right to Buy (secure fixed-term tenants only)**

You must have been a Council tenant for at least five years before you can qualify to exercise your right to buy. The qualifying period includes all the time you have been a Council tenant at a property, not just your current one.

We may apply to the Court to suspend the right to buy of any tenant that we suspect has behaved in an anti-social manner.

11. **Right to Compensation for Improvements (secure fixed-term tenants only)**

You can undertake works to improve the property but only when **prior** written approval has been given by the Council. You will need to obtain the permission from Homes and Housing even if you have received planning or building regulations consent previously. At the end of your tenancy, you may be able to claim compensation for the improvements you have carried out. This is not a statutory right but one that the Council has given you.

## Section 2 Your responsibilities

1. **Identification**

At the start of your tenancy, or if it changes, we will ask you to provide two forms of photographic identification. Alternatively, we can take a photograph of you for our records.

2. **Giving us information**

You must give us correct information. We may take legal action to force you to leave your home if you (or somebody acting on your behalf):

- makes a statement which you know is false:  
or
- gives us misleading information.

3. **Possession**

You must take possession of your home from the start of the tenancy and must not sub-let the whole of it. It must be your only or principal home throughout the tenancy or the principal home of at least one of you if you are joint tenants.

4. **Payment of rent**

You must pay your rent and all other charges in advance in accordance with section 4 of this tenancy agreement.

At the start of any new tenancy you will be required to pay a week's rent or that part of the rent not covered by housing benefit.

If you have any difficulty paying your rent or other money you owe us, you must contact us immediately. Somebody else can do this for you if you have given them your permission.

We may change the amount of rent you pay for your home but we will give you at least four weeks' notice in writing before we do. We usually review your rent once a year. This is normally at the start of the financial year. We will write to you to tell you the new rent and give you the chance to end your tenancy before the changes take place.

If you are applying for Housing Benefit, you must give the Council all the information it needs so it can assess what you are entitled to.

5. **Outgoings**

You must meet all outgoing applying to your home including gas and electricity and other similar costs, whether metered or billed.

You or anyone living with you or visiting your home must not conduct a business from your home which is likely to cause a nuisance or annoyance to others.

We will not unreasonably refuse or delay our permission but we may attach reasonable conditions that you must comply with. We can later withdraw permission by giving you written notice if the business becomes a nuisance. We are also unlikely to give you permission to run a business from your home if the property requires major adaptation or if you have not satisfied relevant agencies. For example, by not obtaining planning permission or a police CRB check (for anyone working with children)

Businesses which are likely to cause a nuisance include, but are not limited to:

- Car repair and maintenance
- Printing
- Sound recording and/or mixing
- Any business which involves the use of noisy equipment, such as hydraulic equipment or industrial sewing machines

This includes any nuisance or abuse or threatening behaviour towards a Council employee, its agents or contractors. Nuisance amounts to anti-social behaviour and this includes, but is not limited to the following:

If you are unable to keep an appointment it is your responsibility to inform us and to ensure that a further appointment is made and kept. If the fault/damage is an emergency like a burst or leaking pipe, you must allow us access as soon as this has been requested. You are responsible for ensuring your home is properly heated and ventilated, that air vents are kept clear and that proper venting arrangements are made for the extraction of water vapour from appliances such as a tumble drier. You must not decorate the outside of your home unless you have our prior written permission.

**27. Security Systems**

If you wish to install your own security doors, a burglar alarm or CCTV, you must obtain our prior written permission.

You must not erect barbed wire or broken glass to walls or fences around your home.

**28. Altering or improving your home (secure fixed-term tenants only)**

If you are a secure fixed-term tenant you may make improvements or alterations to your home provided that you obtain our prior written permission. We will only refuse permission if we have good reason to do so. If we do give permission, then we may attach conditions to it. You must keep to these. You may also need to obtain other permissions, such as planning permission or building regulations approval.

You will be responsible for maintaining and/or repairing any alterations or improvements you have carried out to your home.

**Note: You must not make any alterations at all to any gas or electrical appliance or installation in your home (including any meter and any other associated pipe-work or equipment).**

**If you wish work to be carried out on such appliances or installations you must obtain our prior written permission before any work is carried out. Any such work may only be carried out by a suitably qualified Gas or Electrical Safe Registered contractor. Failure to do so may have fatal results, and we will regard it as a serious breach of your tenancy.**

**29. Satellite Dishes**

You must obtain our prior written permission if you want to install a satellite dish.

**30. Access to your home**

You must let our employees and contractors into your home periodically to inspect its condition, carry out repairs, maintenance, improvement works and to check who is living in the property. This also includes the review undertaken by Council staff towards the end of the secure fixed-term tenancy. The Council is under a legal duty to review all fixed-term tenancies at least six months before the tenancy comes to an end. We will normally start the review nine months before the tenancy comes to an end.

All employees and contractors carry identification. Please ask to see this before you allow anyone into your home.

**If you have any doubt about the identity of employees or contractors, please telephone us on 01708 434000 or freephone 0800 15143444**

You must allow the Fire Service access to your home to carry out a home fire risk assessment.

We will give you at least 24 hours' written notice if your home needs to be routinely inspected. In an emergency, immediate access may be required

and no notice will be given. This may result in us having to force entry into your home.

For checks on who is living in the property we will also need immediate access.

31. **Gas Safety**

You must allow our employees or contractors access to your home to carry out a gas safety inspection. You must ensure that you have sufficient credit on the gas and electric meters to enable the checks to be carried out. We will give you at least 24 hours' written notice unless it is an emergency. If you do not let us in or do not have sufficient credit on your gas and electric meters, **we may take legal action to make you let us in or to allow us to force entry to your home.** We may recover any reasonable costs from you associated with such action. Persistent refusal of access may result in possession proceedings being taken against you to evict you from the property.

**Note: Inadequate heating, blocks or leaks in the flue and lack of adequate ventilation can cause carbon monoxide poisoning. Our gas services make sure that your home is safe for you. It is important that we are allowed access to carry out essential inspections.**

32. **Vehicles and parking**

You may not park certain vehicles, including a car, motorbike, boat, caravan, van or trailer within the boundaries of your home unless you have a properly constructed hard standing, driveway or a garage with direct access from the highway and an appropriate dropped kerb entrance.

You, or anyone living with you or visiting your home, must not:

- Park a vehicle of a type which is designed to be used on the road such as a car, motorbike, caravan or a van on your property for more than 30 days if the vehicle is un-roadworthy;
- You must not park a vehicle which is designed to be used on the road and which is un-roadworthy, on any other land which is owned by the Council.
- Store an "end of life" vehicle/vehicles, intended for use on the road but which would be dangerous to use on a road, within the boundaries of your home.
- Park or drive a vehicle which is intended for use on the road on any open area, footpath or grass verge other than a mobility scooter.
- Park any motor home, caravan, boat, trailer or business vehicle at your home or on any other land owned by the Council without our prior written permission. Any vehicles larger than a transit size will not be allowed under any circumstances.
- Allow SORN (Stored Off Road Notification) vehicles on our land other than in your garden. Any SORN vehicles kept in your front garden must not be in a dilapidated condition.
- Build a garage, hard standing, dropped kerb or driveway without obtaining our prior written permission. You may also need planning and building regulation approval

- Carry out major repairs to any vehicle within the boundaries of your home, on the highway or in any other public or shared area
- Receive any type of payment for the repairing of any vehicle at your home
- Obstruct access or block out day light to any other home by parking inconsiderately
- Keep vehicles such as motorbikes inside the dwelling, in a shed or in the shared areas except the keeping of a pedal bike inside the property. Battery powered scooters used by the elderly or disabled are exempt as long as they do not cause an obstruction.

**33. Harmful or dangerous materials**

You must not keep or allow anyone living with you or visiting you to keep dangerous, offensive, harmful or inflammable materials.

Only materials that can currently and reasonably be put to medical or domestic use can be kept in your home.

You must not use or store Liquefied Petroleum Gas – propane or butane bottled gas cylinders or paraffin heaters in or around your property.

**34. Absence from the property**

Whilst the property must remain your principal home, if you intend to leave your home for more than 28 days on a temporary basis, you must make sure that your home will be looked after and secure while you are away and provide us with your contact details or of someone else in the local area who can deal with any emergency on your behalf. You must ensure your rent will be paid while you are away.

**35. Ending the tenancy**

If you want to end your tenancy you must give us at least four weeks' written notice. We may agree with you to accept less than four weeks' notice but you must discuss this with us before you plan to end the tenancy. If you do not give proper notice you will continue to be responsible for the rent and other payments.

If you have a joint tenancy, either tenant can end the whole tenancy.

A joint tenancy will end after four weeks' written notice of termination has been given by either one of the joint tenants. We may, at our discretion, grant a sole tenancy to the remaining joint tenant.

You must allow our employees and contractors access to your home to inspect its condition before you leave.

You must report all repairs that are needed at the home (before you leave) and replace or repair broken items that belong to us. If you do not we will carry out the work and may charge you for doing so.

**36. Moving out**

At the end of the four week notice period, you must give us vacant possession of your home. You must return all the keys to us before 12 noon on the

Monday at the end of the notice period. Keys handed in late may result in you being charged an extra week's rent or, if you fail to return your keys, we can recharge you for changing locks and obtaining new keys.

You must pay all rent and other charges which are due up to the date of the end of your tenancy, including any arrears.

You must not allow any person to remain living in your home when your tenancy has ended. If you have any lodgers, sub-lessees or animals, they must leave by the time your tenancy ends.

When your tenancy ends, you must leave your home clean and tidy. We will charge you the cost of making good any damage you have caused (not including fair wear and tear). For example, we could charge you for the cost of cleaning the sink, toilet, gully or drain, or for moving rubbish or unwanted furniture you have left behind.

You must ensure the disconnection of any gas, electricity and water supplies and of household appliances is done safely and properly and that this meets legal requirements and includes certification when appropriate.

If you remove any fixtures or fittings which you have installed, you will be responsible for putting the property back to the way it was before you altered it. If you fail to do this we may charge you for this work. All fixtures and fittings you have installed and are leaving in the property must be in good condition and proper working order.

When you leave your home it is your responsibility to ensure that we have your forwarding address in writing. If you should fail to supply us with this, we can continue to treat the property as your address for the purposes of serving letters, notices etc.

We will dispose of any furniture left in the premises after one month or immediately if it incurs an unreasonable cost or inconvenience for us to store.

**Note: if the tenant dies, the tenancy can be ended on the Monday following the death of the tenant if the home has been fully cleared of all furnishings, paperwork and effects and provided we receive a copy of the death certificate.**

If you move out of the home without telling us, we will treat the home as abandoned. We are required to serve a 28 day Notice to Quit before ending the tenancy. You will be charged full rent for the 28 days. Your tenancy will then come to an end.

Abandoning your home could mean that you may not be entitled to another home with the Council – for example if you have left with rent arrears or damaged the property.

It is your responsibility not to leave any items in the home. We may store any furniture and belongings taken from the home for a limited period or until you

make arrangements to move them. We will charge you for this storage and dispose of them. We will try to contact you to arrange collection of the belongings. If we are unable to contact you or if you do not collect the belongings, we may sell them and use any money we get towards any of your unpaid rent or other charges.

We will ask you to allow us reasonable access to show potential tenants around your home during your notice period. Your home may be advertised in 'Choice Homes'.

**37. Insurance**

We are responsible for making sure the structure of your home is insured.

You are responsible for insuring the contents of your home (your furniture and belongings). We are not responsible for loss of or damage to your possessions.

You are advised to take out full contents and tenant's liability insurance for your home. This should cover the cost of replacing broken windows.

If you live in a flat, you should also take out insurance to cover you in case you cause damage to your neighbour's property.

**Note: Homes and Housing service at the Council offers a home contents insurance scheme which can be paid in with your weekly rent. Please see your tenant handbook for more information and useful contact numbers.**

**38. Smoking ban**

It is illegal to smoke in a public place or at work.

The same rules apply to communal halls in sheltered schemes and to shared entrances, lifts and hallways in blocks of flats.

The Council can take action against a tenancy if a tenant, a member of their family or a visitor smokes in a 'no smoking' area and it causes a nuisance to other residents.

Tenants can still smoke in their homes and gardens, however with the smoking ban in place the Council aims to create a healthy working environment for all its staff and contractors.

If we are working in your home for long periods of time, please smoke in a room where we are not working. Please do not smoke during any visits we carry out to your home.

## Section 3 Our responsibilities

1. The Council's Homes and Housing service is your first point of contact if you have any problems with your tenancy. If it is not resolved we have a complaints procedure. If you feel that we have broken this agreement, you may complain to us. You can obtain independent advice from a Citizens Advice Bureau or from a solicitor. You can also complain to your local councillor, MP or the Local Government Ombudsman.
2. You will be given at least four weeks' written notice before any changes to your rent or other payments are made.
3. The structure of your home is insured.
4. We will arrange to repair the structure and exterior of your home and the building of which your home may form part. This includes:
  - Drains, gutters and external pipes
  - The roof, outside walls, outside doors, window sills, window catches, sash cords and window frames (including necessary external painting and decorating)
  - Internal walls, floors (excluding floor coverings), ceilings, doors, door frames, door hinges and skirting boards
  - Chimneys, chimney stacks and flues
  - Main entrance path
  - Plasterwork
  - Integral garages and stores
5. We will arrange repair and keep in proper working order any installations within your home for heating, water heating and sanitation; and for the supply of water, gas and electricity. This includes:
  - Basins, sinks, baths, toilets, flushing systems and waste pipes (but not other fixtures, fittings and appliances for making use of the supply of water, gas or electricity)
  - Electric wiring including sockets, switches and light fittings (excluding bulbs)
  - Gas pipes, water pipes, water heaters, fitted fires and central heating installations.
6. If you apply to buy your home we will continue to arrange these repairs until you have bought your home but will not carry out any improvements.
7. We will arrange the maintenance and repair of any shared areas around your home.
8. We will give you help and advice if you tell us that you are the victim of anti-social behaviour.

9. If we decide to change the terms and conditions of this tenancy agreement, we must give you 28 days' notice before carrying out these changes. This gives you the opportunity to end the tenancy before the changes come into effect if you choose to do so.
10. **Gas safety**  
We will carry out a gas safety inspection of your home in accordance with Gas Safety (Installation and Use) Regulations 1998.
11. **External decorations**  
We are responsible for the exterior decorating of your home and of any shared areas.
12. **Consulting you**  
We will consult you about housing management matters which are likely to affect you and we will take your comments into account before we make any decision.
13. **Undertaking a review of the secure fixed-term tenancy**  
The Council is under a legal duty to review all fixed-term tenancies at least 6 months before the fixed-term tenancy comes to an end. We will normally start the review nine months before it comes to an end. The review will take account of yours and your household's circumstances as set out in the Council's Tenancy Strategy. The criteria that we will use when carrying out the review are set out in our Tenancy Strategy. You must take part in the review or we will assume that you do not want to stay in your home.
14. **Notice to end tenancy (secure fixed-term tenancy)**  
If the Council makes a decision not to grant another fixed-term tenancy following its review, we will serve you with a notice at least six months before the end of the tenancy. You can ask us to review our decision not to grant you a new tenancy. The review procedure is set out in our Tenancy Strategy.
- We will serve a second Notice at least two months before the fixed-term tenancy comes to an end to tell you we are going to make an application to Court for an Order to evict you from your home.
15. **Permission**  
If the terms of this agreement require you to get our written permission for something, we will give you the reason in writing. If we grant you permission this will normally have conditions attached to it. We do not charge you for giving you permission to do something, although you may incur costs to comply with a condition.
- As well as getting our permission you should also check whether planning or other permissions are needed. We reserve the right to withdraw our permission if you do not comply with any of the conditions which we make.
14. **Anti-social behaviour**  
If you tell us that you are the victim of anti-social behaviour, we will give you help and advice.

We will respond to complaints of anti-social behaviour within a reasonable time, according to the seriousness of the behaviour in question and keep you informed about the progress of your complaint.

We investigate all complaints of anti-social behaviour and will use available legal powers to take action if appropriate.

**15. Complaints**

Our complaints procedure is in our Tenant Handbook and is available on our website at [www.havering.gov.uk](http://www.havering.gov.uk)

We will monitor all the complaints we receive and use them to improve our services.

**16. Using our complaints procedure**

If you are not happy with the initial response that you receive from us, you can refer to our complaints procedure to take further action.

**17. If you believe we have broken any term of this agreement**

The Local Government Housing Ombudsman investigates complaints of maladministration against local authorities. Maladministration means that there has been a failure to do something which should have been done or a fault in the way in which things have been done. Before you complain to the Ombudsman you must normally have followed the whole of our complaints procedure. You can find out more about the Independent Housing Ombudsman by visiting its website at [www.housing-ombudsman.org.uk](http://www.housing-ombudsman.org.uk)

**If you break the terms of this agreement we can, if we consider it appropriate:**

**18. Apply for an injunction**

An injunction is a Court Order which either prevents you from doing something or orders you to do something. If the terms of an injunction are broken this may be contempt of Court which can be punished by a fine or a prison sentence.

**19. Demote your tenancy**

If you have a fixed-term tenancy, under the Anti-Social Behaviour Act 2003 we have the right to apply to the County Court for a Demotion Order if you or someone living with you or visiting your home has been acting or threatening to act in an anti-social manner. This would end your secure fixed-term tenancy and replace it with a less secure type of tenancy which we could end more easily if the anti-social behaviour continued. If your tenancy is demoted you will lose a number of the rights which you enjoyed as a fixed-term secure tenant, including the right to buy your home and the right to exchange. Before a demoted tenancy comes to an end, the Council will write to you to explain that when the tenancy comes to an end, it will transfer to a secure fixed-term tenancy. The written notice will set out the length of the tenancy. If you breach your Demoted tenancy, legal action may be taken to end the tenancy and evict you from the property.

20. **Apply for an Anti-Social Behaviour Order (ASBO)**  
This allows a local authority and the police to apply to the Magistrates' Court for an order to prevent the anti-social behaviour of anyone aged ten or older. The subject of an ASBO must have behaved in a way likely to have caused harassment, alarm or distress to at least one person outside their own household. When an ASBO is made, it can require the perpetrator to stop behaving in an anti-social way and/or exclude them from a certain area. An order lasts for at least two years and a prison sentence of up to five years may be given if it is broken.
21. **Draw up an Acceptable Behaviour Contract (ABC) or Parenting Contract (PC)**  
An Acceptable Behaviour Contract or Parenting Contract can be used to tackle anti-social behaviour. An ABC or PC is usually an individual written agreement between an individual, the police and the local housing department. If a child is under ten years a parental responsibility contract may be entered into with the parent or guardian on their child's behalf. An ABC requires an individual not to continue with certain acts that are anti-social.
22. **Carry out work or take action and charge you for it**  
If you fail to do something which is your responsibility under the terms of this agreement, we may arrange for it to be done and then charge you for it. We will also seek to recover from you the cost of any action which we take against you through the Court for any breaches of this agreement.
23. **Dispose of your belongings**  
If you leave any of your belongings in your home or anywhere else after you have moved out, we have the right to remove and dispose of them. We will try to give you prior notice of this.
24. **Prevent you from moving home**  
We may prevent you from transferring to another property or refuse permission to exchange your home with someone else.
25. **Prevent you from buying your home**  
We can suspend your right to buy.
26. **Refuse any future applications for housing**  
If you are evicted for breaking the terms of this agreement, we can suspend your application to join the Council's housing register in the future on the basis that you are unsuitable to be our tenant.

**Note: a mediation service is available to tenants who are experiencing difficulties getting along with each other. Contact the Homes and Housing Service for more information.**

27. **Involve the police**  
If we believe that you are guilty of a criminal act, we can refer this matter to the police for them to investigate and, if appropriate, take action against you.

**Note: If you have an introductory tenancy we may extend this by up to a further six months. If we intend to do this we will serve a notice of extension on you at least eight weeks before the end of the initial period of your tenancy and you then have a right to request a review of this decision.**

**28. Begin possession proceedings**

We may ask the Court to evict you from your home if you break any of the terms of this tenancy agreement or if we decide not to renew your fixed-term tenancy. The procedure in connection with possession proceedings will depend upon whether you have a secure fixed-term, introductory or demoted tenancy.

Before we can apply to the Court to end your tenancy we will serve you with a notice that explains our intention to apply to the Court for an Order for possession of your home. This notice will give you the reasons for this decision and a date after which proceedings may be started.

**29. Notice to Quit**

In some circumstances you may lose the security of your tenancy. This can occur, for instance, if you (or all of you in the case of joint tenants) cease to occupy the property as your only or main home.

We will apply for a Court Order to end your tenancy if you cease to occupy it as your main home.

**30. Service of notices or sending of letters**

Any letter, notice or other document, including a notice to quit, can be served on you by delivering it to and leaving it at your home or by sending it to your address by post.

We will assume that you have received all letters, notices and other documents within 72 hours if we post them or within 24 hours if they are delivered to your home by hand.

Any letters, notices or other documents from you to us should be sent or hand delivered to us or to any other address to which you may be advised to send/deliver your notice or letters.

**31. Requesting written permission**

You need the written permission of the Council to comply with some conditions in this agreement. Requests for written permission should be made in writing to Freepost RRJC-CEXK-EAKL, Homes and Housing, Chippenham Road, Harold Hill, Romford RM3 8YQ.  
Email: [homes@haverling.gov.uk](mailto:homes@haverling.gov.uk)

**Note: Even if we give our written permission, you may still need to get planning permission and comply with building regulations, in some circumstances. We may withdraw our permission if a nuisance is caused or if an alteration or addition to your home becomes unsightly or a danger or if the structure of the home is damaged. Permissions are not only to safeguard the home but also to make sure that any work done could not injure you or any other person.**

## Section 4 Rent and other payments

This section is about rent and other charges. It tells you about the importance of paying your rent and what will happen if you do not pay but also how to get help and advice if you need it.

### Rent and other payments

1. This comprises your rent and other charges which are due on Monday of each week and you must pay them on time. The rent is payable each week in advance. You may also pay your rent over longer periods, for example fortnightly or monthly, by prior agreement with us. If you do so, you must pay your rent in advance.
2. Other payments may be due at the same time as your rent, such as service charges, heating charges and water charges. A breakdown of your rent and other charges will be given to you when you sign the tenancy agreement.
3. The rent year normally starts on the first Monday in April. This may be a 52 or 53 week year. There will be four payment breaks. If you have rent arrears, you are required to continue with your rent payments during any payment breaks.
4. If this is a joint tenancy then each tenant is equally responsible for the payment of the whole of the rent and of any other payments or charges.
5. We may change the rent and other charges but before doing so, we will give you at least four weeks' written notice. A variation in rent will normally occur every year in April. We will tell you in writing about the details of the variation and give you an opportunity to end the tenancy before the variation date.
6. If you do not pay your rent or other associated charges, we may go to Court and ask for you to be evicted from your home. The Court may order you to pay our costs.
7. If you are evicted because you do not pay your rent and other charges, you will not normally be entitled to another Council property until you have paid the money that you owed in full.

8. If you have rent arrears you are in breach of your tenancy agreement.
9. We have the right to charge you for any new service provided by us. This may be charged as part of your rent or separately. We will write to you prior to any change.
10. **Housing Benefits**  
If you are entitled to housing benefit you are responsible for filling in and sending your housing benefit claim form to the Council. When requested you must make sure it is accurate and that proof of identity and income are provided. Changes in your circumstances may affect your entitlement to housing benefit. You may lose your entitlement to receive housing benefit if you do not move into the home at the start of your tenancy. You will remain liable for the rent during any period of your tenancy. We will however provide you with advice and assistance if you request it.

If you claim housing benefit you must tell the Council's Housing Benefit section immediately of any change in circumstances which may affect your entitlement to it.
