Approach to the Setting of Returning Officer/Deputy Returning Officer Fees

Local Elections

Returning Officer fees are paid in accordance with the scale of fees agreed by the Leaders Committee of London Councils. The fees are funded by the Council which provides a budget every fourth year for running local elections. Fees for Deputy Returning Officer roles are paid by the Returning Officer from a budget allocated for clerical assistance and vary in accordance with duties and responsibilities undertaken.

Greater London Authority Elections

Returning Officer fees are set by the Greater London Returning Officer. The fees are funded by the Greater London Authority. Fees for Deputy Returning Officer roles are paid by the Returning Officer from a budget allocated for clerical assistance (and/or by allocation of some of the Returning Officer fee) and vary in accordance with duties and responsibilities undertaken.

European Parliamentary and Parliamentary Elections and National Referenda

Returning Officer fees are set by the Central Government usually through the publication of a Statutory Instrument. The fees are funded by Central Government. Fees for Deputy Returning Officer roles are paid by the Returning Officer from a budget allocated for clerical assistance (and/or by allocation of some of the Returning Officer fee) and vary in accordance with duties and responsibilities undertaken.

Employing Authority Discretions and Administration
Authority Discretions
Statement of Policy

1) Determination of contribution rate and how it will be determined (9(1) and 9(3))

- The employee contribution band will be reviewed each April.
- Contributions are payable on all pay received such as non-contractual overtime or additional hours. Reductions in pay due to sickness, child related leave etc. are ignored. The salary used to determine the band will be assessed by taking into account basic salary each April plus any additional hours or overtime that were paid for in the previous financial year.

2) Funding of additional pension contributions (16(2)(e) and 16(4)(d)) (LGPS 2013)

Where APCs are to be paid by regular contributions, whether to fund in whole or in part a members additional pension contribution. The maximum additional pension which can be purchased from 1 April 2014 is £6,500. (16(2)(e))

Where APCs are to be paid by a lump sum contribution, whether to fund in whole or in part members additional pension contribution. The maximum additional pension which can be purchased from 1 April 2014 is £6,500. (16(4)(d))

The Council will generally not contribute by either regular contributions or lump sum contribution towards a members additional pension contributions but may determine on a case by case basis if there has been any operational benefit gained by the employer and if so whether the APC should be wholly or partly funded. Strike action will not be funded.

3) Flexible retirement (30(6)) (LGPS 2013)

Whether to allow an active member, who has attained the age of 55 or over, who reduces their working hours or grade, to receive immediate payment of all or part of their retirement pension to which the member is entitled to in respect of that employment, subject to an actuarial reduction.

The Council has decided to allow flexible retirement in cases where there is normally no or minimal cost to the Council on a case by case basis, ensuring the detailed merits of each individual case is taken into account. Employees can choose to draw all of their pension benefits or defer payment of all or part of their fund which has accrued since 1 April 2008. The following criteria will apply: there must be at least a 25% reduction in pay or hours; the member may not move to another promotion post with the Council and/or increase their hours following flexible retirement; will not be granted a 2nd or subsequent flexible retirement.

Flexible retirement will normally result in an actuarial reduction of pension benefits. In exceptional circumstances the Council may consider waiving the actuarial reduction where it is in the Council's interest to do so.

4) Waiving actuarial reduction (30(8)) (LGPS 2013)

Whether to waive, in whole or in part, any reduction to a members pension benefits as a result of a member who has not attained normal pension age but who has attained the age of 55 or over and has elected to receive immediate payment of a retirement pension.

There will normally be a reduction to the pension where employees retire before their normal pension age with insufficient service to qualify for a full pension, except in compassionate grounds. Compassionate is normally defined as:

- The applicant had to leave employment to care for a dependent who is suffering from long term illness/incapacity. For this purpose dependent normally includes a partner, child or parent; and
- That the dependant's need is for constant supervision for both day and night and that this is supported by confirmation from the Benefits Agency that an Attendance Allowance at the higher rate is payable; and
- That the dependant has no recourse to alternative means of support from his/her immediate family nor the financial resources to provide independent care support (for this purpose a certified statement of income and expenditure will be required); and
- That the applicant is suffering or facing severe financial hardship, that the applicant has no other significant source of income and that their personal financial circumstances are unlikely to improve. For this purpose the applicant will be required to submit a certified statement of income and expenditure covering both the applicant and any partner living with them; and
- That the applicant's opportunities for employment are severely limited by the nature of the care duties they are undertaking.

Flexible retirement will normally result in an actuarial reduction of pension benefits. In exceptional circumstances the Council may consider waiving the actuarial reduction where it is in the Council's interest to do so.

5) Award of additional pension (31) (LGPS 2013)

Whether to award additional pension up to a maximum of £6,500 to an active member or a member who was an active member who was dismissed by reason of redundancy, or business efficiency, or whose employment was terminated by mutual consent on grounds of business efficiency within 6 months of the date the member's employment ended.

The Council will not generally apply this discretion but in extreme cases consider on a case by case basis.

6) Applying the rule of 85 (Transitional 2014)

'Switch on' the 85 year rule protection, allowing a member to receive fully or partly unreduced benefits subject to the Scheme employer paying a strain cost to the Pension Fund (Schedule 2 paragraph 1 (1) (c) (Application of the 85 year rule between age 55 & 60) and that is correct).

The Council will not usually exercise discretion to fund additional costs applicable to the 85 Year Rule for 55 to 60 year olds. However in exceptional circumstances, to be considered on individual merits on a case by case basis, where this is of benefit to the Council then the Council may exercise discretion to pay the cost waiving actuarial reductions.

7) Whether to grant application for early payment of deferred benefits on or after age 55 and before age 60. NB: The rule of 85 currently applies for members for member who qualify for the rule and it cannot be turned off.

Elections made under this Regulation by members aged less than 60 are ineffective without employer consent of the employing authority or former employing authority. No employees will be permitted to receive early payment of benefits prior to age 60 except in compassionate cases. Applications may be granted on a case by case basis in circumstances where it may be considered to be to the Council's operational or financial advantage.

8) Regulation 30 (5) (Waiving of actuarial reduction)

Whether to waive, on compassionate grounds, any actuarial reduction applying to a member's deferred benefits that are paid early.

Elections made under this Regulation by members aged less than 60 are ineffective without employer consent of the employing authority or former employing authority. No employees will be permitted to receive early payment of benefits prior to age 60 except in compassionate cases. Applications may be granted on a case by case basis in circumstances where it may be considered to be to the Council's operational or financial advantage.

There are some regulations within the former 1995 Pension Regulations that still apply scheme members who ceased active membership before 1 April 1998. Where discretions are also applicable in relation to active members in the LGPS2014 Regulations they should be applied as they are mirrored within the LGPS Regulations applicable from 1 April 2014.

SCHEME EMPLOYER CONFIRMATION

The Pension Committee (24 June 2014) delegated to the Group Director of Resources, the Director of Human Resources and Organisational Development, and the Council's Monitoring Officer, acting jointly, the setting of the discretion decisions and Policy Statement.

It is understood that the discretions contained within this statement of policy are applicable to all eligible members of the Scheme. The Scheme rules allow for a revised statement to be issued at least one month in advance of the date that any new policy takes effect. The revised statement must be sent to the administering authority and the employer must publish its statement as revised in a place that is accessible to all of its eligible scheme members.

The policies made above:

- Have regard to the extent to which the exercise of the discretions could lead to a serious loss of confidence in the public service;
- Will not be used for any ulterior motive;
- Will be exercised reasonably;
- Will only be used when there is a real and substantial future benefit to the employer for incurring the extra costs that may arise;
- Will be duly recorded when applied.

Agreed on behalf of the Scheme Employer by the Group Director of Resources, the Director of Human Resources and Organisational Development, and the Council's Monitoring Officer, acting jointly.
