

We recommend you carry out the following process in order to have a greater understanding of becoming a Childminder

Carry out your own market research

The latest Childcare Sufficiency Report can be found: www.havering.gov.uk/csr

Download a copy of the Early Years Foundation Stage Statutory Framework

<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>

Please download a copy and ensure you have familiarised yourself with the document before contacting the team.

Contact the Early Years Quality Assurance team

The Early Years Quality Assurance team will provide information on the process of registration and your roles and responsibilities required as an Ofsted registered Childminder.

earlyyearsqualityassurance@havering.gov.uk

We recommend contacting the Early Years Quality Assurance team before enrolling on any training

Complete the Ofsted online application process

Application successful

Once the Ofsted registration is active and confirmed by Ofsted to the Local Authority Early Years Organisation Team will email a Welcome Pack to the new Childminder.

Once the Ofsted registration is active the Early Years Quality Assurance team will allocate an Education Advisor who will make contact to provide initial and ongoing support.
