

Land at: Land adjacent 21 Pentire Close, Upminster RM14 1QJ
Enforcement case ref: ENF/41/20

IMPORTANT – THIS COMMUNICATION AFFECTS YOUR PROPERTY

TOWN AND COUNTRY PLANNING ACT 1990 (As amended by the Planning and Compensation Act 1991 and the Planning and Compulsory Purchase Act 2004)

TEMPORARY STOP NOTICE

SERVED BY: London Borough of Havering
herein after referred to as “the Council”

To: Land adjacent, 21 Pentire Close, Upminster RM14 1QJ;

Danielle Michelle Cooper, 33a Brook Road, Romford RM2 5QS

National Westminster Bank PLC, (Co. Regn. No. 929027), Mortgage Centre,
P.O. Box 123, Greenock, PA15 1EF

1. On 30th January 2020, the Council has issued this temporary stop notice alleging that there has been a breach of planning control on the land described in paragraph 4 below.
2. This temporary stop notice is issued by the Council, in exercise of their power in section 171E of the 1990 Act, because they think that it is expedient that the activity specified in this notice should cease on the land described in paragraph 4 below. The Council now prohibits the carrying out of the activity specified in this notice. Important additional information is given in the Annex to this notice.
3. **THE REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the breaches of planning control illustrated below have occurred within the last four years.

Without discharging the following conditions attached to Planning Permission reference P2106.17 dated 31st July 2018 works have commenced on site:

Condition 2:

Before any of the development hereby permitted is commenced, written specification of external walls and roof materials to be used in the construction of the building(s) shall be submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Condition 4:

No works shall take place in relation to any of the development hereby approved until there has been submitted to and approved by the local Planning Authority a scheme of hard and soft landscaping, which shall include

indications of all existing trees and shrubs on the site, and details of any to be retained. All planting, seeding or turfing comprised within the scheme shall be carried out in the first planting season following completion of the development and any trees or plants which within a period of 5 years from completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local Planning Authority.

Condition 5:

Prior to the commencement of the development hereby approved, details of all proposed walls, fences and boundary treatment shall be submitted to, and approved in writing by, the Local Planning Authority. The boundary development shall then be carried out in accordance with the approved details and retained permanently thereafter to the satisfaction of the Local Planning Authority.

Condition 12:

Before the development hereby is first commenced, vehicle cleansing facilities to prevent mud being deposited onto the public highway during construction works shall be provided on site in accordance with details to be first submitted to and approved in writing by the Local Planning Authority. The approved facilities shall be retained thereafter and used at relevant entrances to the site throughout the duration of construction works. If mud or other debris originating from the site is deposited in the public highway, all on-site operations shall cease until it has been removed.

The submission will provide;

- a) A plan showing where vehicles will be parked within the site to be inspected for mud and debris and cleaned if required. The plan should show where construction traffic will access and exit the site from the public highway.
- b) A description of how the parking area will be surfaced, drained and cleaned to prevent mud, debris and muddy water being tracked onto the public highway;
- c) A description of how vehicles will be checked before leaving the site – this applies to the vehicle wheels, the underside of vehicles, mud flaps and wheel arches.
- d) A description of how vehicles will be cleaned.
- e) A description of how dirty/ muddy water be dealt with after being washing off the vehicles.
- f) A description of any contingency plan to be used in the event of a break-down of the wheel washing arrangements.

Condition 14:

No works shall take place in relation to any of the development hereby approved until a Construction Method Statement to control the adverse impact of the development on the amenity of the public and nearby

occupiers is submitted to and approved in writing by the Local Planning Authority. The Construction Method Statement shall include details of:

- a) Parking of vehicles of site personnel and visitors;
- b) Storage of plant and materials;
- c) Dust management controls;
- d) Measures for minimising the impact of noise and, if appropriate, vibration arising from construction activities;
- e) Predicted noise and, if appropriate, vibration levels for construction using methodologies and at points agreed with the Local Planning Authority;
- f) Scheme for monitoring noise and if appropriate, vibration levels using methodologies and at points agreed with the Local Planning Authority;
- g) Siting and design of temporary buildings;
- h) Scheme for security fencing/ hoardings, depicting a readily visible 24-hour contact number for queries or emergencies;
- i) Details of disposal of waste arising from the construction programme, including final disposal points. The burning of waste on the site at any time is specifically precluded.

And the development shall be carried out in accordance with the approved scheme and statement.

4. THE LAND TO WHICH THIS NOTICE RELATES

Land adjacent to **21 Pentire Close, Upminster RM14 1QJ** shown edged black on the attached plan.

5. THE ACTIVITY TO WHICH THIS NOTICE RELATES

Building works on the Land

6. WHAT YOU ARE REQUIRED TO DO

1) To cease all building work.

7. WHEN THIS NOTICE TAKES EFFECT

This notice takes effect on 30th January 2020 when all the activity specified in this notice shall cease. This notice will cease to have effect on 27th February 2020.

Dated: 30 January 2020

Signed: David Colwill
David Colwill.....
Team Leader, Planning Enforcement

On behalf of: London Borough of Havering, Mercury House, Mercury Gardens, Romford, RM1 3SL

ANNEXE

WARNING

THIS NOTICE TAKES EFFECT ON THE DATE SPECIFIED IN PARAGRAPH 7.

THERE IS NO RIGHT OF APPEAL TO THE FIRST SECRETARY OF STATE AGAINST THIS NOTICE.

It is an offence to contravene a temporary stop notice after a site notice has been displayed or the temporary stop notice has been served on you. (Section 171G of the 1990 Act). If you then fail to comply with the temporary stop notice you will be at risk of **immediate prosecution** in the Magistrates' Court, for which the maximum penalty is unlimited on summary conviction for a first offence and for any subsequent offence. The fine on conviction on indictment is unlimited. If you are in any doubt about what this notice requires you to do, you should get in touch **immediately** with **Mark Broad, Planning Enforcement Officer**, Mercury House, Romford, RM1 3SL, 01708 433643. If you need independent advice about this notice, you are advised to contact urgently a lawyer, planning consultant or other professional adviser specialising in planning matters. If you wish to contest the validity of the notice, you may only do so by an application to the High Court for judicial review.

S.171G. Temporary stop notice: offences

- (1) A person commits an offence if he contravenes a temporary stop notice—
 - (a) which has been served on him, or
 - (b) a copy of which has been displayed in accordance with section 171E(5).
- (2) Contravention of a temporary stop notice includes causing or permitting the contravention of the notice.
- (3) An offence under this section may be charged by reference to a day or a longer period.
- (4) A person may be convicted of more than one such offence in relation to the same temporary stop notice by reference to different days or periods of time.
- (5) A person does not commit an offence under this section if he proves—
 - (a) that the temporary stop notice was not served on him, and
 - (b) that he did not know, and could not reasonably have been expected to know, of its existence.
- (6) A person convicted of an offence under this section is liable—
 - (a) on summary conviction, to an unlimited fine;
 - (b) on conviction on indictment, to a fine.
- (7) In determining the amount of the fine, the court must have regard in particular to any financial benefit, which has accrued or has appeared to accrue to the person convicted in consequence of the offence.

LONDON BOROUGH OF HAVERING

TOWN AND COUNTRY PLANNING ACT 1990

AGENT

Mrs Lisa Skinner
Signature House
13 Station Road
Gidea Park
Romford
RM2 6BX

APPLICANT

Ms D COURT
21, Pentire Close
UPMINSTER
RM14 1QJ

APPLICATION NO: P2106.17

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

Proposal: NEW DWELLING ON LAND ADJACENT TO 21 PENTIRE CLOSE

Location: 21 Pentire Close
UPMINSTER

The above decision is based on the details in drawing(s):

SK/9.10.17.1 Rev C

subject to compliance with the following condition(s):

Note to Applicants:

Please take the time to read the conditions stated below carefully. Some may require you to seek the Council's approval prior to works beginning on site. The approval process can take a further 8 weeks from the date of submission and you are advised to incorporate this into your timetable.

Please also check the informatives below to verify whether the scheme is liable for the Mayoral Community Infrastructure Levy. If the scheme is liable, **you are required to give notice of commencement in advance** so that a Demand Notice can be sent to you or any other person(s) that has/have assumed liability. The Levy is payable within 60 days of commencement. **If you are intending to claim self-build, social housing or charitable exemption, you must do this before development commences otherwise any exemption request will be disqualified.**

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2 Before any of the development hereby permitted is commenced, written specification of external walls and roof materials to be used in the construction of the building(s) shall be submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of the materials to be used. Submission of a written specification prior to commencement will ensure that the appearance of the proposed development will harmonise with the character of the surrounding area and comply with Policy DC61 of the Development Control Policies Development Plan Document.

- 3 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 the garage hereby permitted shall be made permanently available for the parking of private motor vehicles and not for any other purpose including living accommodation or any trade or business.

Reason:-

To provide satisfactory off-street parking at the site, and that the development accords with the Development Control Policies Development Plan Document Policy DC61

- 4 No works shall take place in relation to any of the development hereby approved until there has been submitted to and approved by the Local Planning Authority a scheme of hard and soft landscaping, which shall include indications of all existing trees and shrubs on the site, and details of any to be retained, together with measures for the protection in the course of development. All planting, seeding or turfing comprised within the scheme shall be carried out in the first planting season following completion of the development and any trees or plants which within a period of 5 years from completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local Planning Authority.

Reason:-

Insufficient information has been supplied with the application to judge the appropriateness of the hard and soft landscaping proposed. Submission of a scheme prior to commencement will ensure that the development accords with the Development Control Policies Development Plan Document Policy DC61. It will also ensure accordance with Section 197 of the Town and Country Planning Act 1990.

- 5** Prior to the commencement of the development hereby approved, details of all proposed walls, fences and boundary treatment shall be submitted to, and approved in writing by, the Local Planning Authority. The boundary development shall then be carried out in accordance with the approved details and retained permanently thereafter to the satisfaction of the Local Planning Authority.

Reason:

Insufficient information has been supplied with the application to judge the appropriateness of any boundary treatment. Submission of this detail prior to commencement will protect the visual amenities of the development, prevent undue overlooking of adjoining property and ensure that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 6** The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans (as set out on page one of this decision notice).

Reason:-

The Local Planning Authority consider it essential that the whole of the development is carried out and that no departure whatsoever is made from the details approved, since the development would not necessarily be acceptable if partly carried out or carried out differently in any degree from the details submitted. Also, in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 7** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, other than porches erected in accordance with the Order, no extension or enlargement (including additions to roofs) shall be made to the dwellinghouse(s) hereby permitted, or any detached building erected, without the express permission in writing of the Local Planning Authority.

Reason:-

In the interests of amenity and to enable the Local Planning Authority to retain control over future development, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 8** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, no window or other opening (other than those shown on the submitted and approved plan) shall be formed in the flank wall(s) of the building(s) hereby permitted, unless specific permission under the provisions of the Town and Country Planning Act 1990 has first been sought and obtained in writing from the Local Planning Authority.

Reason:-

In order to ensure a satisfactory development that will not result in any loss of privacy or damage to the environment of neighbouring properties which exist or may be proposed in the future, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 9** The development shall be constructed in accordance with the recommended 'Resilience and Mitigation Measures' stated within section 7 (pages 19 and 20), of the Flood Risk Assessment completed by GeoSmart.

Reason:-

In order to ensure that satisfactory measures are put in place to mitigate the potential for flooding within the area, and in order that the development accords with Development Control Policies Development Plan Document Policy DC48 and Policy 5.12 of the London Plan.

The proposed garden area shall not be sub-divided at any time and nor shall there be any additional pedestrian or vehicular accesses into the site.

Reason:-

In order that the annexe approved remains ancillary to the main dwelling and that the development accords with Policy DC61 of the Development Control Policies Development Plan Document.

- 10** No building shall be occupied or use commenced until refuse and recycling facilities are provided in accordance with details which shall previously have been submitted to and approved in writing by the Local Planning Authority. The refuse and recycling facilities shall be permanently retained thereafter.

Reason:-

Insufficient information has been supplied with the application to judge how refuse and recycling will be managed on site. Submission of this detail prior to occupation in the case of new building works or prior to the use commencing in the case of changes of use will protect the amenity of occupiers of the development and also the locality generally and ensure that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 11** The development hereby approved shall not be occupied until cycle storage is provided in accordance with details previously submitted to and approved in writing by the Local Planning Authority. Cycle parking shall be to the standards set out in Table 6.3 of the London Plan. Such cycle parking shall thereafter be retained to the satisfaction of the Local Planning Authority.

Reason:-

Insufficient information has been supplied with the application to demonstrate what facilities will be available for cycle parking. Submission of this detail prior to occupation is in the interests of providing a wide range of facilities for non-motor car residents and sustainability.

- 12** Before the development hereby permitted is first commenced, vehicle cleansing facilities to prevent mud being deposited onto the public highway during construction works shall be provided on site in accordance with details to be first submitted to and approved in writing by the Local Planning Authority. The approved facilities shall be retained thereafter and used at relevant entrances to the site throughout the duration of construction works. If mud or other debris originating from the site is deposited in the public highway, all on-site operations shall cease until it has been removed.

The submission will provide;

- a) A plan showing where vehicles will be parked within the site to be inspected for mud and debris and cleaned if required. The plan should show where construction traffic will access and exit the site from the public highway.
- b) A description of how the parking area will be surfaced, drained and cleaned to prevent mud, debris and muddy water being tracked onto the public highway;
- c) A description of how vehicles will be checked before leaving the site - this applies to the vehicle wheels, the underside of vehicles, mud flaps and wheel arches.
- d) A description of how vehicles will be cleaned.
- e) A description of how dirty/ muddy water be dealt with after being washing off the vehicles.
- f) A description of any contingency plan to be used in the event of a break-down of the wheel washing arrangements.

Reason:-

In order to prevent materials from the site being deposited on the adjoining public highway, in the interests of highway safety and the amenity of the surrounding area, and in order that the development accords with the Development Control Policies Development Plan Document Policies DC61 and DC32.

- 13** All building operations in connection with the construction of external walls, roof, and foundations; site excavation or other external site works; works involving the use of plant or machinery; the erection of scaffolding; the delivery of materials; the removal of materials and spoil from the site, and the playing of amplified music shall only take place between the hours of 8.00am and 6.00pm Monday to Friday, and between 8.00am and 1.00pm on Saturdays and not at all on Sundays and Bank Holidays/Public Holidays.

Reason:-

To protect residential amenity, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 14** No works shall take place in relation to any of the development hereby approved until a Construction Method Statement to control the adverse impact of the development on the amenity of the public and nearby occupiers is submitted to and approved in writing by the Local Planning Authority. The Construction Method statement shall include details of:

- a) parking of vehicles of site personnel and visitors;
- b) storage of plant and materials;
- c) dust management controls;
- d) measures for minimising the impact of noise and ,if appropriate, vibration arising from construction activities;
- e) predicted noise and, if appropriate, vibration levels for construction using methodologies and at points agreed with the Local Planning Authority;
- f) scheme for monitoring noise and if appropriate, vibration levels using methodologies and at points agreed with the Local Planning Authorities;
- g) siting and design of temporary buildings;
- h) scheme for security fencing/hoardings, depicting a readily visible 24-hour contact number for queries or emergencies;
- i) details of disposal of waste arising from the construction programme, including final disposal points. The burning of waste on the site at any time is specifically precluded.

And the development shall be carried out in accordance with the approved scheme and statement.

Reason:-

Insufficient information has been supplied with the application in relation to the proposed construction methodology. Submission of details prior to commencement will ensure that the method of construction protects residential amenity. It will also ensure that the development accords the Development Control Policies Development Plan Document Policy DC61.

15 Minor (up to 9 units):

All dwellings hereby approved shall be constructed to comply with Part M4(2) of the Building Regulations - Accessible and Adaptable Dwellings.

Reason: In order to comply with Policy DC7 of the Local Development Framework and Policy 3.8 of the London Plan.

16 The development shall be constructed in accordance with the recommended 'Resilience and Mitigation Measures' stated within section 7 (pages 19 and 20), of the Flood Risk Assessment completed by GeoSmart.

Reason:-

In order to ensure that satisfactory measures are put in place to mitigate the potential for flooding within the area, and in order that the development accords with Development Control Policies Development Plan Document Policy DC48 and Policy 5.12 of the London Plan.

The proposed garden area shall not be sub-divided at any time and nor shall there be any additional pedestrian or vehicular accesses into the site.

Reason:-

In order that the annexe approved remains ancillary to the main dwelling and that the development accords with Policy DC61 of the Development Control Policies Development Plan Document.

17 All dwellings hereby approved shall comply with Regulation 36 (2)(b) and Part G2 of the Building Regulations - Water Efficiency.

Reason: In order to comply with Policy 5.15 of the London Plan.

INFORMATIVE(S)

1 Highway legislation

The developer (including their representatives and contractors) is advised that planning consent does not discharge the requirements of the New Roads and Street Works Act 1991 and the Traffic Management Act 2004. Formal notifications and approval will be needed for any highway works (including temporary works of any nature) required during the construction of the development.

Please note that unauthorised work on the highway is an offence.

Temporary use of the public highway

The developer is advised that if construction materials are proposed to be kept on the highway during construction works then they will need to apply for a license from the Council. If the developer requires scaffolding, hoarding or mobile cranes to be used on the highway, a licence is required and Street Management should be contacted make the

- 1 necessary arrangements. Please note that unauthorised use of the highway for construction works is an offence.

Surface water management

The developer is advised that surface water from the development in both its temporary and permanent states should not be discharged onto the highway. Failure to prevent such is an offence.

- 2 For any development where a flood risk is identified, the Council as the Lead Local Flood Authority want to see developers consider and implement flood resilience/resistance measures into the buildings themselves. This is not to stop development but to ensure the protection for future residents is maintained and enhanced.

The following measures are strongly recommended, although this list is not exhaustive:-

- Raising the level of the building by at least 300mm above local levels;
- Waterproof membrane in the ground floor;
- Waterproof plaster and waterproofing to ground floor;
- Electrics from the upstairs down and sockets high up off the ground floor;
- Non return valves on the sewerage pipes;
- Emergency escape plan for each individual property;
- Air brick covers; and
- Movable flood barriers for entrances.

Alongside the resilience measures the applicant is also recommended to consider a Sustainable Drainage System (SuDS) to ensure the surface water run-off is managed appropriately.

- 3 The council is aware of a ditch which runs along the northern boundary of the application site. Although the ditch is outside the development boundaries, it cannot be altered or affected in any way due to the catchment it serves.

If you are the riparian owner, it is strongly recommended that you (along with any other riparian owners) maintain the ditch line in order to reduce the possibility of flooding.

The drilled culvert inlet to the rear of the proposed dwelling where the parking bays are intended must also be maintained. Access must be maintained to clear the grille on the inlet.

This development should not impede the flow of any surface or ground water to the ditch line and culvert inlet.

- 4 The planning obligations recommended in this report have been subject to the statutory tests set out in Regulation 122 of the Community Infrastructure Levy Regulations 2010 and the obligations are considered to have satisfied the following criteria:-

- (a) Necessary to make the development acceptable in planning terms;
- (b) Directly related to the development; and
- (c) Fairly and reasonably related in scale and kind to the development

- 5** Before occupation of the residential/ commercial unit(s) hereby approved, it is a requirement to have the property/properties officially Street Named and Numbered by our Street Naming and Numbering Team. Official Street Naming and Numbering will ensure that that Council has record of the property/properties so that future occupants can access our services. Registration will also ensure that emergency services, Land Registry and the Royal Mail have accurate address details. Proof of having officially gone through the Street Naming and Numbering process may also be required for the connection of utilities. For further details on how to apply for registration see:

<https://www.havering.gov.uk/streetnameandnumber>

- 6** The proposal is liable for the Mayor of London Community Infrastructure Levy (CIL). Based upon the information supplied with the application, the CIL payable would be £2,420 (this figure may go up or down, subject to indexation). CIL is payable within 60 days of commencement of development. A Liability Notice will be sent to the applicant (or anyone else who has assumed liability) shortly and you are required to notify the Council of the commencement of the development before works begin. Further details with regard to CIL are available from the Council's website.
- 7** Statement Required by Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015: In accordance with para 186-187 of the National Planning Policy Framework 2012, improvements required to make the proposal acceptable were negotiated with Neil Cooper via email in February 2018. The revisions involved mitigating the impact of the development and reducing the overall bulk and scale of both the proposed dwelling and proposed garage. The final amendments were subsequently submitted on 13/04/18.

Dated: 31st July 2018

Steve Moore
Director of Neighbourhoods
London Borough of Havering
Mercury House, Mercury Gardens
Romford RM1 3SL

IMPORTANT - attention is drawn to the notes overleaf

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier. Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or from the Planning Inspectorate's web site, <https://www.gov.uk/government/organisations/planning-inspectorate>
- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 5th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.
You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £97 per request (or £28 where the related permission was for extending or altering a dwellinghouse) will be required.
