It appears to the Council that the above breach of planning control has occurred within the last four years. The unauthorised development constitutes inappropriate development in the Metropolitan Green Belt that has a detrimental impact on the open appearance of the Green Belt. The parking area by reason of its excessive scale and permanent nature result in unacceptable intensification of the use of the site that would lead to unacceptable increase in noise and disturbance for occupiers of adjoining residential properties and unacceptable increase in traffic on a sub-standard drive and access to the highway, Aveley Road, to the detriment of the free and safe flow of traffic. The Council do not consider that planning permission should be given, because planning conditions could not overcome these problems.

In making its decision to issue this Notice the Council considered that the unauthorised use is contrary to the following policies of the Local Development Framework: policies DC32, DC33, DC45, DC55 and DC61.
