**IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990  
(as amended by the Planning and Compensation Act 1991)**

**ENFORCEMENT REFERENCE: ENF/536/20**

## **ENFORCEMENT NOTICE**

**ISSUED BY:** London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

### **2. THE LAND AFFECTED**

The land known as **VIEW 1, THE TRACK, PROSPECT ROAD, HORNCHURCH RM11 3TY** , shown edged in black on the attached plan and is registered under Land Registry Title Numbers NGL169848, EGL500674, EGL288072, BGL77304, EGL485357 and EGL302852.

### **3. THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the importation into the site of aggregates and hard-core, the laying of hard surfaces and the erection of wooden boundary fencing outside the curtilage of the property in the Green Belt.

### **4. REASONS FOR ISSUING THIS NOTICE**

(1) It appears to the Council that the above breaches of planning control commenced less than FOUR years ago and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.

(2) The development fails to preserve the openness of the Green Belt and conflicts with the purposes of including land in Green Belt. The fundamental aim of Green Belt policy is to prevent urban sprawl by keeping land permanently open; the essential characteristics being openness and permanence. The alleged unauthorised uses / developments are therefore contrary to the adopted Local Development Framework policies CP14, DC45 & DC61 of the Core Strategy and Development Control Policies DPD, London Plan Policy G2 and the NPPF because of the significant harm caused by the in-principle and physical harm to the Green Belt and to the character and appearance of the surrounding area.

(3) The Council does not consider that planning permission should be granted for the development because conditions attached to any consent cannot remedy the breach.

## **5. WHAT YOU ARE REQUIRED TO DO**

- I. Remove all wooden boundary fencing including concrete posts from the area hatched in black identified in the attached site plan AND;
- II. Remove all hard surfaces, hard core, aggregates, building materials, rubble and debris from area the hatched in black identified in the attached site plan AND;
- III. Remove all accumulated materials from the site when taking steps 1 and 2 above.
