Housing Zone brings fantastic development opportunity for Waterloo Estate

Havering Council has successfully gained Housing Zone status for the Waterloo Estate, together with a number of other locations in central Romford.

Housing Zone status was achieved by the Council working hard with the Greater London Authority (GLA) to secure funding for the estate.

This is great news as it means the Council can access this funding to help build much needed new homes.

You will recall in summer of last year we talked with you about the estate. You gave us feedback about your main concerns, which were.

- Parking
- Anti-Social Behaviour (ASB)
- How open spaces on the estate were being used
- Litter and fly-tipping near garage areas
- Poor links to the Town Centre.

And, where possible, we have taken action.

We also promised we would be in touch again when we were in a position to make further progress.

The Housing Zone status for the Waterloo Estate is a fantastic opportunity, not just to see how we could provide additional homes on part of the estate, but also to create a wider vision of how the whole estate could be transformed.

We now are arranging some drop-in sessions where we want to get a more detailed understanding of how you feel the Waterloo Estate could look as we want residents to be at the heart of this process.

The first of these will be on Wednesday 20 July, 3pm – 7pm, at the Salvation Army Hall, High Street Romford RM1 1JJ.

We hope you will come along and let us know your views as it is important we hear from you.

If you cannot make this drop-in session, details will be on the website so you can comment online through www.havering.gov.uk/WaterlooEstate
