Appointments for Birth Registrations can still be made during this time by visiting www.havering.gov.uk/births

Death Registrations

The Medical Examiner will contact the family to advise the paperwork has been issued and that an appointment can now be made. **Please do not book an appointment until the Medical Examiner or Coroner has advised you to do so**.

If a timely burial is required a green form can be issued prior to registration, however we can only issue this on receipt of a Medical Cause of Death Certificate emailed to us from the Medical Examiner. Providing the certificate meets the criteria for registration we can then issue the paperwork for the funeral to take place. This process is completed electronically during our on-call hours listed below.
