IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY

**TOWN AND COUNTRY PLANNING ACT 1990
(as amended by the Planning and Compensation Act 1991)**

ENFORCEMENT REFERENCE: ENF/76/22

ENFORCEMENT NOTICE

NUMBER THREE

ISSUED BY: London Borough of Havering (herein after referred to as “the Council”)

- 1. THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. THE LAND AFFECTED

The land known as **23 CARTER DRIVE, ROMFORD RM5 2NT** shown edged in black on the attached plan.

3. THE BREACH OF PLANNING CONTROL ALLEGED

Without planning permission, the construction of a boundary treatment within the front and side curtilage facing Carter Drive and Carter Close and the construction of a hard surface within the front curtilage.

4. REASONS FOR ISSUING THIS NOTICE

(1) It appears to the Council that the above breach of planning control has occurred within the last four years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.

(2) Surrounding properties do not use these high walls and fencing which are not in accordance with the prevailing character of the streetscape. The high fencing also affects the outlook and amenity of 1 Carter Close as to overshadowing the ground floor of that property. The boundary treatment, by reason of its excessive height, scale and poor design introduces a design element which is inconsistent with the established low rise form of development to boundaries of properties in the street scene. Overall, it is considered the unauthorised boundary treatments cause significant harm to

the character of the wider street scene contrary to Policies 7 and 26 of the Havering Local Plan and the Council's Residential and Extensions SPD.

- (3) The hard surface due to its lack of any adequate drainage system to accommodate uncontrolled surface water runoff has an adverse impact on the Council's storm water drainage systems and cumulatively contributes to increased risk of urban flooding, contrary to the National Planning Policy Framework 2023 (NPPF), the Residential Extensions & Alterations SPD March 2011 and Policy 10 and Policy 26 of the Havering Local Plan 2016-2031 Adopted 2021.
- (4) The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems.

5. WHAT YOU ARE REQUIRED TO DO

- (i) **Demolish** to ground level the boundary treatment facing Carter Drive and Carter Close within the front curtilage from the area as shown marked A – B on the plan attached as Appendix LBH 1;

OR

- (ii) **Reduce** the boundary treatment facing Carter Drive and Carter Close within the front curtilage from the area as shown marked A – B on the plan attached as Appendix LBH 1 to a height of no more than 1 metre at any part;

AND

- (iii) **Demolish** to ground level the boundary treatment facing Carter Close within the front curtilage from the area as shown marked C – D on the plan attached as Appendix LBH 1;

OR

- (iv) **Reduce** the boundary treatment facing Carter Close within the front curtilage from the area as shown marked C – D on the plan attached as Appendix LBH 1 to a height of no more than 1 metre at any part;

AND
