HMO Article 4 Directions Clarification Statement

When the two Havering Houses of Multiple Occupation (HMO) Article 4 Directions were made on 3 November 2015 and came into force on 13 July 2016, the boundaries for the Article 4 Directions were based on the current ward boundaries at that time.

In May 2022, due to an administrative Review, the ward boundaries were changed. As a result of the ward boundary changes it is considered necessary to review and confirm how the boundary change has impacted the Article 4 Directions. This review has now taken place and whilst the Article 4 Directions are not being changed in any way, for clarity, it is considered necessary to publish a Clarification Statement in order to avoid any future confusion as to how the Article 4 Directions are affected as a result of the administrative boundary change.

This statement seeks to clarify which wards are wholly in Direction 1 and wholly in Direction 2 and identifies the wards where there are both Directions and the limited number of detached properties that may require clarification.
