**(as amended by the Planning and Compensation Act 1991)**

## **ENFORCEMENT NOTICE**

4. **REASONS FOR ISSUING THIS NOTICE**

- (1) It appears to the Council that the above breach of planning control has occurred within the last four years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.
- (2) The hip to gable roof alteration and large rear dormer window extension, by reason of its gabled roof form over the two storey side extension and the combined scale, bulk and mass on the roof alteration, including the rear dormer window, unbalances the appearance of the semi-detached pair and is unduly prominent and detracts from the character and appearance of the street scene and rear garden environment contrary to Policy 26 of the Local Plan 2021, the Residential Extensions and Alterations SPD (2011), Policy D4 of the London Plan and also the guidance within the NPPF.

- (3) The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems and because permission has already been refused under application P0494.25.

## **5. WHAT YOU ARE REQUIRED TO DO**

1. Demolish the rear dormer roof extension and remove the hip to gable extension formed over the two storey side extension;
