

**LAND ON THE NORTH-EAST SIDE OF CHURCH ROAD ,NOAK HILL, ROMFORD  
RM4 1LD**

**IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990  
(as amended by the Planning and Compensation Act 1991)**

**ENFORCEMENT REFERENCE: ENF/431/25**

**ENFORCEMENT NOTICE 2**

**ISSUED BY:** London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

The land known as **LAND ON THE NORTH-EAST SIDE OF CHURCH ROAD ,  
NOAK HILL, ROMFORD RM4 1LD**, shown edged in black on the attached plan.

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, operational development involving building and engineering operations to form a new traveller site with associated erection of pitch and boundary fencing, the formation of new hardstanding's and the creation of hard surfaces in order to form new pitches.

4. **REASONS FOR ISSUING THIS NOTICE**

1. It appears to the Council that the above breach of planning control has occurred within the last ten years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.

2. The land lies within the Metropolitan Green Belt and the operational development has harmful impacts upon the openness of the green belt due to the erection of boundary fencing, hard surfaces as well as the stationing of mobile homes, touring caravans and other vehicles on the land. The operational development is consequently inappropriate development. There are no very special circumstances which outweigh the harm in principle to the Green Belt. The unauthorised development is contrary to Policy G2 of the London Plan, the National Planning Policy Framework and the Planning Policy for Traveller Sites. It

is also contrary to the Ministerial Statement on Intentional Unauthorised Development.

3.The operational development and associated change of use are considered to significantly adversely affect and damage the biodiversity of the land and it is considered that retention of the works and residential use as a travellers' site would have a significant harmful impact upon the ecological value and biodiversity of the land. In these respects, the change of use is contrary to Policies 27 and 30 of the Havering Local Plan, Policies G5, G6 and G7 of the London Plan and National Planning Policy Framework 2024, which seek minimising impacts on and providing net gains for biodiversity.

4.The development, by reason of the hard surfaces covering the land, the erection of boundary fences around and within the land, the siting of mobile homes and caravans, together with the paraphernalia associated with a travellers' site has the effect of devastating the verdant character of the area, and is considered to be harmful to the character and appearance of the area, contrary to Policies 11, 26, 27 and 29 of the Havering Local Plan.

5.The site is located within an identified Archaeological Priority Area – no desktop assessment of field evaluation has been carried out and the development results in the unacceptable loss of a heritage asset contrary to the NPPF

6.The development is considered to have a harmful impact on overland run off from surface water and thereby increase the flood risk within and adjacent to the site. As a result, the use does not comply with Policies 11 and 32 of the Havering Local Plan, Policies SI 12 and SI13 of the London Plan and the NPPF.

7.The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems. The fact that the development was intentional and unauthorised is a material consideration weighing against the grant of permission.

## **5. WHAT YOU ARE REQUIRED TO DO**

1. Remove all structures, equipment and other items associated with the residential use and stationing of mobile homes and touring caravans from the site; AND
2. Remove all hard surfaces, hard core, aggregates, building materials, rubble and debris from the site AND
3. Remove all close boarded fencing erected since 28<sup>th</sup> November 2025 whether as boundary fencing or fencing to pitches AND
4. Remove all accumulated materials from the site when taking steps 1 to 3 above.AND
5. Restore the land to its former condition
