ENFORCEMENT NOTICE

ISSUED BY: London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. THE LAND AFFECTED

- (2) The development, by reason of the cumulative depth of the rear canopy extensions, as well as the poor-quality appearance of the structure. appears as a dominant and visually intrusive form of development, which also results in a cramped over-development of the site, out of scale and character with neighbouring development, to the detriment of future occupiers and the character of the surrounding area contrary to Policies 7, 24, 26 of the Havering Local Plan and the Residential Extensions and Alterations Supplementary Planning Document.
- (3) The cumulative depth of the rear additional canopy is considered unacceptable as it has a harmful impact on the neighbouring houses given its relationship to neighbouring properties, give rise to an intensification of uses

on the site result in an unsatisfactory relationship by way of noise and disturbance caused by high levels of activity, is unacceptably detrimental to the amenities of occupiers of nearby residential properties contrary to Policies 7, 24, 26 and 34 of the Havering Local Plan, Policy D4 of the London Plan and the guidance in the National Planning Policy Framework.

- (4) The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems.
