IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY

TOWN AND COUNTRY PLANNING ACT 1990
(as amended by the Planning and Compensation Act 1991)

ENFORCEMENT REFERENCE: ENF/219/26

ENFORCEMENT NOTICE

ISSUED BY: London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

The land known as **73A CARLISLE ROAD, ROMFORD RM1 2QL**, shown edged in black on the attached plan.

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the construction of a front and rear dormer roof window extensions.

4. **REASONS FOR ISSUING THIS NOTICE**

- (1) It appears to the Council that the above breach of planning control has occurred within the last ten years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.
- (2) The variations to the design granted planning permission by virtue of planning permission P0845.23 by reason of their increased size, scale and visual prominence of the front dormer window, together with the use of rendered finishes in place of the approved hung tiles as to both the front and rear dormers results in an unduly dominant and incongruous roof alteration. The combined effect of the enlarged dormer form and the introduction of an inappropriate and visually discordant material fails to respect the design rationale of the approved scheme as to planning permission P0845.23 and is harmful to the established character and appearance of the host building(s) and the wider street scene. The unauthorised development would be an undesirable precedent for similar roof alterations within the locality which if repeated would lead to cumulative harm to the visual coherence and

architectural integrity of the area. The unauthorised development is therefore contrary to London Plan Policy D3 and Havering Local Plan (2016-2031) Policies 7 and 26.

- (3) The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems and because planning permission has already been refused under application P0244.26.

5. WHAT YOU ARE REQUIRED TO DO

1. Tile clad the rear dormer window extension with tiles to match the main roof;

AND

2. Reduce the size of the front dormer window extension at roof level to match Plan 1800/02 as per Appendix 1 to the enforcement notice and tile clad the elevations of the front dormer extension with tiles to match the main roof;

AND

3. Remove all debris, rubbish or other materials accumulated as a result of taking steps 1 and 2 above.

6. TIME FOR COMPLIANCE

THREE MONTHS after the date when this Notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This Notice takes effect on **27th July 2026**, unless an appeal is made against it beforehand

Dated: **26th June 2026**
