ISSUED BY: London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

The land known as **28 OAKLANDS AVENUE, ROMFORD RM1 4BD**, shown edged in black on the attached plan.

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

1. It appears to the Council that the above breach of planning control has occurred within the last ten years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.
2. The hard surface due to its lack of any adequate drainage system to accommodate uncontrolled surface water runoff has an adverse impact on the Council's storm water drainage systems and cumulatively contributes to increased risk of urban flooding, contrary to the National Planning Policy Framework 2024 (NPPF), the Residential Extensions & Alterations SPD March 2011 and Policies 26 and 27 of the Havering Local Plan 2016-2031 and contrary to guidance within

the Department for Environment, Food & Rural Affairs National standards for sustainable drainage systems (SuDS).

3. The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems.

5. WHAT YOU ARE REQUIRED TO DO

AND

2. Remove from the land all materials, rubble, rubbish machinery, apparatus and installations used in connection with or resulting from compliance with step 1 above.
