

In Year Admissions Co-ordinated Scheme for All Infant, Junior, Primary and Secondary Schools in Havering for the Academic Year

2026/27

2026/27

This scheme does not apply to children who have an Education, Health and Care Plan (EHCP). If your child has an EHCP, there is a different process for dealing with school transfers. To discuss moving your child's school, please contact your home Local Authority Special Educational Needs Team.

Havering
LONDON BOROUGH

Section 1: Applications

1. Applications from Havering and non-Havering residents for all maintained schools, including academies will be made directly to Havering's School Admissions Team. The on-line In-Year Common Application Form (ICAF) is available from Havering's website at www.havering.gov.uk/admissions/inyear and applications are made via a secure parent portal.
2. Havering residents wishing to apply for places at maintained schools and academies outside of Havering must apply directly to the Local Authority in whose area the school is situated.
3. Schools in Havering will not use Supplementary Information Forms (SIF) unless the information available through the ICAF is insufficient for consideration of the application against the published oversubscription criteria. Where SIF's are used by schools within Havering, the Havering School Admissions Team will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with the School Admissions Code.
4. Where SIF's are used, they will be available direct from the school concerned and available on the school's website. Any SIF must advise parents that they must also complete Havering's In-Year application form. Havering's website and the ICAF will indicate which schools in Havering require SIF's to be completed. Parents will be advised that they should complete the SIF so that the school's Governing Body can fully consider their application.
5. Where a school in Havering receives a SIF, it will not consider it to be a valid application until the parent has also listed the school on Havering's ICAF.
6. Applicants will be able to express a preference for up to six maintained schools or academies in Havering.
7. The order of preference given on the ICAF will not be revealed to the schools listed on the form.
8. Once an offer has been made, the offered school will request proof of address. If the school are not satisfied that the address used is the child's normal place of residence, it will refer the case to Havering's School Admissions Team who will undertake further address verification. Where Havering is not satisfied as to the validity of an address it will withdraw any offer made and liaise with the applicant directly.
9. Before admitting a child the school will satisfy itself that the date of birth is correct.
10. Havering will check the status of any applicant who is a 'Looked After Child' or was a 'Previously Looked After Child'.

Section 2: Processing

11. Havering's School Admissions Team will follow the ICAF application timetable detailed in Appendix 1 of this document.
12. Havering's School Admissions Team will import electronically, children's preferences onto the admissions database (Synergy). This information will be available to schools listed as a preference via the School Access Module (SAM) to enable them to consider the application in accordance with their published oversubscription criteria. Schools will be required to verify claims made on the ICAF, such as Sibling details, Staff Claims, every week (during term time).
13. For all applicants, Havering will provide schools (via SAM) with the information contained on the ICAF (See Appendix 2).

Section 3: Vacancies

14. It is critical for Havering's School Admissions Team to hold up-to-date information about school vacancies so that correct advice can be provided to parents. Schools must update their roll numbers directly through SAM (School Access Module) each week. Havering's School Admissions Team will periodically check data from its schools the London Borough of Havering XVault Reporting Server to confirm roll numbers and other details for each year group are accurate.

Section 4: Offers

15. If a school has a vacancy/vacancies, Havering will offer the place(s) within 10 school days of the vacancy arising to the next child entitled to a place in accordance with the published oversubscription criteria. If a school receives fewer applications than places available, places must be offered to all applicants unless the child has had a permanent exclusion from two or more schools in the previous two years.
16. Havering's School Admissions Team will write to parents who have not been offered places at their preference schools giving reasons and informing them of their right of appeal to an independent appeal in accordance with the School Standards and Framework Act 1988.
17. When a child has been offered a place at a higher preference school than the one previously offered, the lower ranking preferences will be withdrawn and the schools concerned notified.
18. Schools must place the child on roll within 10 schools days of the offer being made.
19. If an admission is disputed by a school, the case must be referred to the School Admissions Team giving detailed written reasons within 5 school days.

20. When a child has been offered a place at a lower preference school, the child will be placed on the waiting list for the higher preference schools.
21. Where an application is received from a Havering resident who is out of school and cannot be offered a place at one of their named preferences (due to oversubscription), Havering will offer the applicant a place at the nearest school to the home address with a vacancy.
22. It will be assumed that parents will accept the offer of a school place unless they formally decline the offer of a place and confirm what alternative arrangements they are making for their child's education.
23. Waiting lists for schools in Havering will be held for the academic year in which the application was made. Waiting lists will not be carried over from one academic year to the next and parents will be required to reapply for subsequent academic years.
